Dear CNBC Family,

Somehow we've already made it to May. The school year is nearing an end. Summer is on the horizon. God is working and moving! We had a great Easter weekend, we've seen a number of guests visiting, and we've seen someone come to know Christ! Let's take a moment to celebrate all of that while also praying that God will continue the work He's doing!

Please be praying for our students of all ages, as well as the ABU softball players, as they wrap up this school year. The end of year can be a very stressful time with final projects and final exams. Please be praying for our Children's Ministry team. In addition to what they do every week to care for and serve our children, they are also preparing for Vacation Bible School (coming July 25<sup>th</sup>-28<sup>th</sup>).

Finally, be praying for the "ones" in the lives of those in our church. If you have a "one," I'd love to be praying for them with you. If you don't, I pray that God will help you to identify a person in your life who can be that "one." This can truly be transformational in our lives individually and as a church.

Thank you for loving each other and our community well!

Blessings!  
Kevin

With school ending in a few weeks, the CNBC pantry team would like to be proactive in preparing for children in our area who may be food insecure during the summer months and need our help. We would like to have options available for our little pantry when families come for food. The list of items needed will be included in the worship guide each Sunday in May and available in the foyer of the church as well. We would appreciate either food donations or financial contributions to the pantry fund. Blessings on behalf of those we serve.
