Dear CNBC Family,

Welcome to April! We have just celebrated Easter and the resurrection of Jesus Christ! It's important for us to remember that Easter isn't the end; it's just the beginning. We live with hope and power because of Jesus' resurrection. I'm excited to see what God has in store for us in the days ahead as we look to serve our community and to spread the great news about Jesus Christ! Let's be praying for God to draw many to Him, and let's be on the lookout for how He will let us be a part of that.

On that note, please make every effort to attend our special event this month – “An Evening of Conversation: The Power of One (with Daryl Cripe)” as it will be a great evening of being challenged and encouraged regarding discipleship and evangelism. I truly believe God is going to use that night in a powerful way in our church!

Blessings!
Kevin

An Evening of
Conversation:
The Power of One
with Daryl Cripe

Tuesday, April 23rd

Associate Pastor Kevin Ray has settled in and is off to a great start!! Certainly no stranger to CNBC and hard work, he has already mowed, edged & trimmed the flower beds, part of the church lawn, gotten acquainted with all the weekly groups and is reaching out to our seniors of the church and community as well. If you haven't reached out to him and his wife Kristen, please do so as they are a real asset to our church family!
